**Lead Agency:**

California Department of Transportation  
703 B Street  
Contact: Cara Lambirth  
Phone: (530) 741-4549

**SUBJECT: *Filing of Notice of Determination pursuant to Public Resources Code section 21108***

**State Clearinghouse Number:** 2019039070

**Project Title:** Cosumnes River Bridge Replacement (Streambed Alteration Agreement No. 1600-2019-0158-R2)

**Project Location:** The project is located at the Cosumnes River, in the County of Sacramento, State of California; Latitude 38.357836 Longitude -121.343594, Section 20, Township 6N, Range 6E, U.S. Geological Survey (USGS) map Galt, approximately 1.5 miles south of Elk Grove along State Route 99 (SR 99); Assessor's Parcel Number 134-0280-051-00-00, 134-0260-016-0000, and 134-0260-150-000.

**Project Description:** The California Department of Fish and Wildlife (CDFW) has amended Streambed Alteration Agreement No. 1600-2019-0158-R2, pursuant to Section 1602 of the Fish and Game Code to the project Applicant, Granite Construction Company as represented by George Delano.

The project includes bridge and highway improvements on State Route 99 (SR 99). The scope of work will include removing and replacing the existing bridge structures crossing the Cosumnes River, and other activities including replacement of the Cosumnes River Overflow Bridge, improving the Dillard Road Overcrossing, relinquishing the McConnell Underpass, replacing the McConnell Overhead structure, and realigning the southbound lanes of SR 99.

This amendment includes a reduction in the required acreage for onsite restoration from 1.203 acres to 0.443 acres and a corresponding increase in the required acreage for offsite mitigation credit purchase from 2.304 acres to 3.064 acres. This amendment also includes a transfer of the Agreement from Granite Construction Company (Transferor) as represented by George Delano, the current Permittee under the Agreement, to the California Department of Transportation (Transferee) as represented by Soka Soka.

This is to advise that CDFW, acting as a Responsible Agency, amended the above-described Streambed Alteration Agreement on the date signed below and has made the following determinations regarding the project pursuant to California Code of Regulations section 15096, subdivision (i):

1. The project will not have a significant effect on the environment. This determination is limited to effects within CDFW's permitting jurisdiction as a Responsible Agency.
2. CDFW considered the negative declaration prepared by the Lead Agency for this project pursuant to California Code of Regulations section 15096, subdivision (f).
3. Mitigation measures were made a condition of CDFW's approval of the project.
4. A mitigation reporting or monitoring plan was not adopted by CDFW for this project.
5. A statement of overriding considerations was not adopted by CDFW for this project.
6. Findings were not made by CDFW pursuant to California Code of Regulations section 15091.

**Notice of Determination**

The negative declaration prepared for the project is available to the general public at the office location listed above for the Lead Agency. CDFW's record of amendment Streambed Alteration Agreement as Responsible Agency is available at CDFW's regional office.
